

IIC Africa Chapter roundtable – One Digital Africa, 55 Regulatory Systems: Can Africa regulate for a single digital market?

Date: 28th October 2026

Location: Sandton, South Africa

Agenda: Wednesday 28 October 2026

09:30: Registration and networking

10:00: Welcome and opening remarks

Lynn Robinson, Director General, International Institute of Communications

10:05: Chair welcome and opening remarks

Tebogo Sibidla, Director, Werksmans Attorneys

10:10: Roundtable introductions

Opportunity for each attendee to introduce themselves

10:20: Open discussion under Chatham House Rule

This round table will explore what a more integrated African digital regulatory framework should look like. The discussion will focus on where alignment matters most, where national differences should remain, and how governments, regulators, regional bodies and industry can remove unnecessary barriers to cross-border digital services.

Speakers include:

Liza Zouabi, Executive, Competition and Regulatory Economics, Telkom South Africa

11:50: Closing comments

Tebogo Sibidla, Director, Werksmans Attorneys

12:00: Refreshments and networking

12:30: Close
