Mr. Chris Chapman
President
International Institute of Communications

Dear President Chapman:

On behalf of the NCC, I wish to sincerely thank you for the wonderful video you created to help commemorate our 15th anniversary; it was so heartwarming and it encouraged all our colleagues here. I truly appreciate that you took the time to give the message in the video yourself and I am also very grateful to all those who helped organize it. Thank you!

I look forward to seeing the relationship and the mutual cooperation between our two organizations continue to grow. In that light, please stay in touch; I believe that both the IIC and Taiwan can continue to mutually benefit from an enhanced relationship.

As we move into the next era of communications together, sharing many of the same goals, and I would like to attend IIC events in the future to discuss with you those pressing issues. Attached please find some photos of our 15th anniversary celebrations. Above all, thank you once again for your long-standing support and taking the time out to pass on your best wishes of the IIC for our special day. Finally, I wish you every success in all your endeavors. If you have any further comments or thoughts, please do not hesitate to contact me at fyschen@ncc.gov.tw.

Sincerely yours,

Yaw-Shyang Chen
