

## *International Institute of Communications (IIC): Call for Board Candidates*

### *We invite applications from members who are interested in joining the IIC Board of Directors.*

We invite applications from members who are interested in joining the IIC Board of Directors.

The IIC Board anticipates proposing a slate of three new directors for election at the AGM in November 2024, which will take place in Bangkok, Thailand. This represents an opportunity to broaden the IICs Board experience and bring new ideas to the table.

All IIC members are welcome to apply. The IIC is committed to both global and local inclusion and is seeking new directors from diverse backgrounds and geographies with experience across the digital ecosystem, including the identification of future leaders in this space. Youth is no barrier to selection; all are welcome.

If you think strategically and possess skills that will contribute to the IIC's continued success as a trusted, neutral and global platform for dialogue in this rapidly changing world, don't miss out on this opportunity to play a leading role in charting the future direction of the IIC.

Does this sound like you? Or do you wish to recommend a candidate for consideration?

*If so, please contact IIC Director General  
Lynn Robinson [l.robinson@iicom.org](mailto:l.robinson@iicom.org)*

The IIC is a neutral, non-profit organisation that aims to inform and shape the global policy agenda for the ICT and digital ecosystem. Its membership consists of leading regulatory bodies, policymakers and technology-led companies from around the world.
